Why are you recommending this applicant to go on the Chrysalis experience? _____

Important Note to Sponsors: Chrysalis is a method of Christian renewal in the church, whose purpose is to support the church's efforts to guide the spiritual formation of Christian young people. It is not a time to help them through an unsettling even in their lives, nor is it a time to help them make a salvation decision. Applicants attending Chrysalis should be currently active in their local church, and have a desire to deepen their faith and become closer to Jesus Christ. As a sponsor you are required to provide information in helping them make their decision as to whether it is the right time for them to attend a weekend. You are responsible for supporting the participant for the duration of the event as well as the time leading up to and after the event. THIS INCLUDES TRANSPORTATION TO AND FROM THE FLIGHT. You are also required to help them enter fully into the Chrysalis fellowship after the weekend, including taking them to the first Hoot following the weekend and helping them find a Reunion group.
