## TODAY I PRAY

That like Job, God would surround you with a hedge of protection and that you would have greater blessings in the latter part of your life, from this day forward.

That like Abraham, you would grow wealthy with cattle, gold and silver

That like Isaac, you plant a field and reap a hundred fold harvest.

That like Jacob, with wisdom and discernment you would grow your flocks and herds.

That like Joseph, the dream that God has given you, would be Salvation to many.

That like Moses, the Lord would reveal himself to you and show you His glory.

That like Bazalel, who helped build the tabernacle that the Lord would anoint you for a specific task that He has called you to accomplish.

That like Joshua, God would fill you with His Spirit of Wisdom.

That like the Children of Israel, you live in lands that you didn't buy

With barns and houses that you didn't build

Drinking from springs and wells you didn't know existed

And eating from vineyards that you didn't plant

That He would bless the fruit of your trees

The grass of your fields and the calves of your herds

That He would bring the summer and autumn rains

And there would be none sick amongst you and none barren.

That like David, God would give you a blueprint of what He would like you to build for Him.

That like Solomon, He would give you a wise and understanding heart.

That like Uzziah, there would be good men caring for your cattle in the foothills And that you would have a love and understanding of the soil.

That like Daniel, God would give you ten times the wisdom and discernment and favour of all those that don't know Him.

That like Peter, you cast your net on the right side of the boat and catch 153 fish.

In Jesus Name, this is my prayer for you.

Remember back when you attended YOUR Walk to Emmaus? You know, the best one EVER! Remember how you LOVED going to the Lake House and having a break? Weren't those snacks wonderful? Did you eat cake and brownies and homemade cookies until you thought they were coming out of your ears? Well....next week's pilgrims deserve that same outpouring of Agape love. We need your home baked goodies (they can be sugar free). We are also happy to have soda, nuts, candy any snacks (healthy and not).

Snack Agape is also looking for two long cloth colored tablecloths. If anyone has matched ones to donate, please bring them to camp or call Ginny Braddock at 803-603-7690. Thanks for all of your support for the Men's Emmaus Walk. Anyone wishing to volunteer to help with Snack Agape is also welcome, just come to camp or call me.

DeColores,
